

TAKING TO MARKET WHAT MATTERS

We don't develop chemicals for the sake of chemistry.
We develop reagent solutions that solve real-world problems in mining.

Flotation Reagents

Tailings Treatment

Reagent Systems

WE ARE ONE AECI, *for a better world*

OUR IMPACT IN ACTION

We aim to move the needle for someone:

- Metallurgist boosting plant performance
- Operator working double shifts
- Procurement manager seeking reliability
- Business counting on consistency

Genfroth

High-performance replacement for PPG200

Sendep 30G

High-purity, high-DS depressant

Sengen Range

Blended xanthates for economic efficiency

WE ARE ONE AEICI, *for a better world*

PROUD TO SUPPORT THE PEOPLE WHO POWER OUR INDUSTRY

Flotation Reagents
